Chaverim,

Welcome to our Man of the Year / Youth of the Year Dinners for 2012. Whether you are joining us at The Grand Marquis on November 7, or you are with us at Temple Beth Ahm Yisrael on November 14, we are all here for the same reason, to thank the Men and Youths in our Community for the time, effort and hard work that they all do in order to make our Jewish lives better. I join you in thanking them, and in thanking David Millman, our Regional Man of the Year, for all of the things that they do.

In a larger sense, however, I want to thank each of you for being with us for this event. The NNJR Man of the Year / Youth of the Year Events are not just for the people we have chosen to honor, it’s for all of us. Our event is not only the signature event of the Northern New Jersey Region, it is also the largest annual Conservative / Mastori Dinner in the State of New Jersey, one that is anticipated by attendees every year, and one that the leadership of the NNJR look forward to planning every year. We love planning this event as much as you love attending.

My one goal as Regional President is to make our clubs stronger. It is only with vibrant clubs, and with men who strongly identify with those clubs that we have a strong region. My board and I have taken the challenge that our Honorary President Dave Mandell has given us to build upon the success of the past 2 years. We will continue to provide club officer training, and later this year we will be working with many of you on extending the FJMCs successful Hearing Men’s Voices programs to your clubs. In addition, we have begun visiting with clubs throughout the region and have spoken with many club Presidents. We want to know what you need help with and we want to know what you are proud of. Together, we will work together, share ideas, build friendships and grow stronger. Together, we will continue to build a 21st Century NNJR that we will pass down to our children and to their children.

Just as running your clubs is not a one man operation, running the NNJR requires the dedicated work of many people. I am very proud of our Regional Officers, Exec VP Joel Kurtz, Regional VP’s and District Roshes Elliott Brown, Dave Yellin and Denis Vogel, Communications VP Harvey Hershkowitz, Financial VP Rob Blitzer, Treasurers Al Davis and Marc Bunis, Financial Secretary Howard Pearlson, Recording Secretary Stuart Mantel, Honorary President Dave Mandell, Past Regional Presidents and Trustees. This is a group of dedicated guys that has taken to heart my charge to them, everybody works but nobody works alone. These are the guys that live, eat and breath Mens Club and these are the guys that I am proud to call my friends.

Jeff Schulman
WHAT IS fjmc?

THE FEDERATION OF JEWISH MEN'S CLUBS?

The mission of the Federation of Jewish Men's Clubs is to involve Jewish men in Jewish life. We improve the quality of Jewish life; contribute to the enhancement of our Conservative Jewish identity locally and world-wide; strengthen and build local Jewish Men's Clubs; and increase membership for the purpose of providing excellence in education, training, and social and community activity. Today there are over 25,000 members from Men's Clubs across the United States and Canada. We are growing every day. We are improving Jewish life every day.

Rabbi Samuel M. Cohen created the Federation of Jewish Men's Clubs in 1929 as the National Federation of Jewish Men's Clubs of the United Synagogue of America. Rabbi Cohen brought together leaders from existing Men's Clubs to foster an interchange of ideas and to help them focus on their common needs. Since that time, the FJMC has continued to evolve and currently consists of hundreds of Men's Clubs in Conservative congregations in eighteen regions in North America.

From 1945 to 1985, the late Rabbi Joel S. Geffen (z"l) guided the FJMC. He was engaged by the Jewish Theological Seminary to travel throughout North America in order to expand the influence of the Seminary and to build future synagogue leadership through Men's Clubs. As a result of this strong relationship, the leadership of the FJMC also developed a strong attachment and working relationship with the Jewish Theological Seminary. This relationship with the Seminary and all of the constituent organizations in the Conservative/Masorti Movement remains strong today, fostered by current FJMC leadership and by Rabbi Charles Simon, who joined the FJMC in 1983 as Executive Director.

A major effort of the FJMC is to provide tools and skills to our Men's Clubs. This process began in the late 1930's with the publication of the first Men's Club "President's Manual" and has continued to date. Club and Regional Officers manuals are continuously revised to meet the current changes in the Jewish Community. The current Club Officers Manual is available through the Northern NJ Region.

In addition to these leadership materials, the FJMC has created many exciting programs. Our book and program series "Hearing Men's Voices" contains information on relationships between fathers and sons, men's health issues and interfaith marriages. Our "Art of Jewish Living" series includes books on Shabbat, Passover, Chanukah and Mourning issues. And then there are our videotapes including "Inbound Mercy" program dealing with teenage drunk driving and "The Ties That Bind", a poignant tape taking you through the meaning of wearing Tefillin, the incredible feeling you get from wearing Tefillin and the connection with the Almighty. The World Wide Wrap, now in its eighth year, has grown from this initiative. FJMC programs and materials are highlighted on the FJMC website. Please visit it at: http://www.fjmc.org.

The FJMC plays an important role in the worldwide Conservative/Masorti movement. The current FJMC President, Mike Mills and Rabbi Charles Simon, our Executive Director, sit on the Leadership Council of Conservative Judaism. The council is composed of the leaders of the Jewish Theological Seminary, the Rabbinical Assembly, the United Synagogue for Conservative Judaism, Women's League and the FJMC. The Leadership Council meets four times a year to determine the agenda of the Conservative Movement. In addition, the FJMC President sits on the boards of other Conservative Movement organizations including the Jewish Theological Seminary, the United Synagogue of Conservative Judaism, Mercaz and Masorti Olami, the World Council of Synagogues. Outside the Conservative Movement, the FJMC also maintains a NGO seat at the UN.

To learn more about what you can do to improve the quality of Jewish life, contribute to the enhancement of our Conservative Jewish identity, strengthen and build local Jewish Men's Clubs, contact your Men's Club President today! If you're a Club President, you should know and talk with your Northern New Jersey Region liaison frequently. You can find them on our regional website at: http://www.nnjr.org.

This is a portion of the FJMC Sefer Haftarah, a project initiated by our Federation in 2003. The entire scroll of Haftarot readings circulates around FJMC regions and NNJR is scheduled to have it again this year. If you have not seen this ritual object, make it a point to find out where the Sefer will be when it comes to NJ. Individual portions can be commissioned to be produced by soferim (scribes) in Israel, and they make wonderful gifts for Bar and Bat Mitzvah families.

Did You Know That FJMC Offers Tefillin?

The wearing of tefillin is a continued catalyst for Jewish spiritual growth. It is a highly personal act that serves to reinforce Jewish identity. The FJMC is dedicated to providing kosher tefillin at reasonable prices. We carry tefillin in several sizes and styles. We also offer all of our tefillin in both right-handed (for righties) and left-handed (for lefties) varieties. All of our tefillin are made in Israel. For more information about tefillin and for suggested program ideas utilizing tefillin, visit FJMC on the web at:

YOM HAHASHOAH YELLOW CANDLE™ PROGRAM
Always Participate
Never Forget the Six Million
April 8, 2013 – 28 Nisan 5773
Zachor! G’dank!

What is the Yellow Candle™ Program?

The Yellow Candle was conceived in 1983 by FJMC Clubs in Massachusetts and Canada to help keep alive the memory of the Six Million Jews who perished in the Holocaust. It is modeled after the traditional Jewish memorial candle that burns for 24 hours during mourning periods and on the anniversary of the death of a family member.

The candle’s yellow wax and symbol depict a Jewish star and strand of barbed wire to remind us of the yellow arm band Jews were forced to wear during the Nazi regime. The photo on the candle shows youngsters departing a concentration camp and emphasizes the importance of teaching our youth the lessons of the Holocaust and of remembering the Six Million.

Interest in the Holocaust is at an all time high. In an age of terrorism and violence, more and more people are sensitive to the fact that genocide is not a private matter limited to the Jewish community. For Jews especially, world events (including never-ending occurrences of anti-Semitism) make memorializing the Holocaust more important than ever. We urge everyone to take a fresh look at the candle program this year. It is today’s news. In today’s terror-filled world, the lessons of the Holocaust are as timely and relevant this year as they were half a century ago. It is critical that these lessons be learned by the Next Generation.

Who benefits from the Yellow Candle Program?

**Men’s Clubs.** The program provides the Men’s Club (or other participating group) a purpose and a significant project upon which to focus. The program is an excellent vehicle for training its members and cultivating volunteers.

**Synagogues.** The program benefits the synagogue because it unites the congregation through an inter-age effort and provides a focus for Yom HaShoah programming.

**Communities.** The program benefits the community by bringing the resources that Men’s Clubs have at their disposal to aid and assist community observances and to make the public more aware of the lessons of the Holocaust.

**Our Youth.** The FJMC has established an international scholarship fund “From Darkness into Light,” available to members of USY chapters in participating synagogues to help offset the cost of attending the USY Poland or Eastern Europe/Israel Seminar.

**Charities.** Yellow Candle programs can be a source of funding for other meaningful programs related to Yom HaShoah. For example, the Blue Card Fund benefits indigent survivors. Other clubs target funds for local Holocaust memorials, libraries, gardens, Holocaust Museum trips and scholarships for USY Pilgrimage summer programs.

23rd Annual Man of the Year and Youth of the Year Dinner Honorees
David Millman
Northern New Jersey Regional Man of the Year

David Millman finished up a 2-year term as President of the Brandeis Men’s Club at Temple Israel, in Ridgewood NJ, in June, 2006. Following in the footsteps of the late Harry Grant, David immediately became active in the Northern NJ Region (NNJR) of the FJMC, and has held the positions of Trustee, Corresponding Secretary, Vice President and Northern District Rosh. He has actively participated in NNJR meetings, programs, activities and Retreats, and attended all the FJMC Conventions since 2003. He has also chaired and co-chaired a variety of Regional programs: Man of the Year Dinner (for the North), Man of the Year Ad Journal, Yellow Candles, President's Dinner, and Ritual for the Multi-Regional Retreat. David is grateful to be part of the team that continuously elevates NNJR as a shining star within the FJMC, and is thankful for the accomplishments and lasting friendships. As an engineer by trade, David is most proud of the free-standing, quick-folding, lightweight stand he designed and crafted for the NNJR banner, which was quite the envy of the other Regions as it stood tall and steady above their banners at Retreat.

In particular, Gaby’s communications, whether via e-mails, videos or speeches before a crowd of hundreds, have delivered the message that Conservative Judaism is alive and well and has a great deal to offer to our youth. Gaby has also engaged with the adult leaders of our movement to build a new sense of cooperation with our USYers.  
Gaby has visited Israel six times, including twice this year with Write On and USY Israel Pilgrimage, and plans to spend a “gap year” there beginning in September with USY’s Nativ Program.

Leah Kempton
Congregation B’Nai Israel - Toms River

I'm a junior at Toms River High School North. I am also the president of Toms River USY. USY a huge part of my life and has changed me from the start. I'm much more outgoing and have so many new friends. I'm interested in going to a school for culinary arts. I don't know exactly what field I want to be in yet. My favorite subject in school is chemistry, I love having it come to me so easily and doing the experiments. USY, cooking, and my friends are all I need to stay focused and happy.

Ronnie Ben-Aron
Congregation B’Nai Jeshurun - Staten Island

For most of our Men’s Club members the initiation process is you join a congregation and then join the Men’s Club of that congregation. Ronnie Ben-Aron took a different path. While serving as President of the local Kiwanis Club he was ably assisted by his Vice President David Landsberg, who was a member of Congregation B’nai Jeshurun. When David became president of the CBJ Men’s Club he asked Ronnie to join the Men’s Club and work with him. Ronnie would go on to serve as President of the Men’s Club which meant joining the congregation. Today his main function in the Men’s Club is running the monthly Texas Hold-Em tournaments. He was a first time attendee at the Men’s Club retreat this past June.

Ronnie’s commitment to Jewish causes comes from his parents. His father, Chaim, is a Holocaust survivor who came to Israel as a refugee in 1945 and his mother of blessed memory, Sara immigrated to Israel from her native Argentina in 1955. They married in Israel in 1958 and came to the United States in 1960. Ronnie and his two brothers, Marvin who is currently the CBJ President and Rabbi Mark were born in 1961, ’62 and ’67 respectively. They visited Israel as a family first in 1970 and again in 1974. These trips instilled in Ronnie a passion for Israel and the Jewish people that
influences much of his life. In the late seventies and eighties he was active in the causes of Soviet Jewry and against the Israeli withdrawal from Sinai. As an active member of the Zionist Organization of America he has studied under the auspices of the Honorable Edward Siegel who worked with US Ambassador Walt Rostow in drafting UN Resolution 242 and Ronnie has spoken to both Jewish and non-Jewish groups about the significance of this resolution as well as participating in debates dealing with the Arab-Israeli dispute.

Today Ronnie serves as a teacher in the CBJ Hebrew School working with the Daled and Hey classes. He also provides the occasional d’var Torah at Friday night and Shabbat morning services that are often controversial and thought provoking.

As far as other interests go, Ronnie enjoys (?) rooting for the Mets and Jets and talking politics. In addition to his CBJ affiliation Ronnie serves as a Trustee in the Richmond County Kiwanis Club and is a member of the Republican County Committee. He is planning on writing a book on the current state of American Zionism, that debunks some of the popular myths spread by others who have written on this topic.

Howard Sharfran
Ohev Shalom/Marlboro Jewish Center – Marlboro

First, I wish to thank the members of the Marlboro Men's Club who have volunteered valuable tome to make our Men's Club on ongoing service to our community. My involvement in the Men’s club was almost an afterthought when I though of being more involved in the Jewish Community. It has brought me close the community as well as reignited Jewish customs I had in Orange County, New York as a youth.

I am blessed and quite thankful for the family I have with my wife Sandi and our three children Max, Andy and Sophie. My passion once was sports and now has become my three kids. They are all excellent kids and are learning about Jewish culture, history and traditions. I am the youngest of three from my parents Rubin and Helene Shafran. Both of my brothers Peter and Jonathan also were taught about the recent struggles of Jewish life and survival through my fathers account of the Holocaust and his memories of the Polish underground in the forests for several years.
I have lived in Marlboro for over 14 years and have been a member of M.J.C. As a professional, I have worked in the mortgage and title insurance industry for twenty seven years. I once again thank the Marlboro Men's Club for friendships that have ensued as a result of our involvement.

**Jared Sherman**
**Ohev Shalom/Marlboro Jewish Center – Marlboro**

Jared Sherman is an extraordinary young man. He is in his senior year at Colts Neck High School where he is involved in a wide array of activities in and out of school. He strives to excel in everything he does from academics to his involvement in volunteer work. At school, he maintains exceptional grades while serving as the Vice President of the Model United Nations, National Honor Society, Peer Leadership, marching and concert bands and the newly formed Jewish Student Union. His love for the arts has earned him a leading role in this year’s upcoming school play.

Jared has been a student and active member of the Marlboro Jewish Center family since second grade. From acting in the Hebrew School’s plays, to learning to read and write Hebrew, he enjoyed school enormously. He remained very involved in the Temple after his Bar Mitzvah by being confirmed and remaining a student in the High Hebrew High school. Over the years, he has participated in Purim Services, volunteered at the carnivals, and read Megillah. Every year since his Bar Mitzvah, he has read from the Torah at Rosh Hoshanah, inspiring his younger brother to blow the Shofar this year. He has volunteered as a classroom instructional aide for four years and was one of the founding student members of the Madrachim tutoring program. His desire to help younger students also manifests in his volunteering in the local school district’s Family Literacy Program for English as a Second Language students and serving as a mentor to a young local boy. Jared has remained an active member of Jewish Youth Organizations from pre-Kadima to USY and AZA.

As he readies himself for the next phase of his life, we are certain that Jared Sherman will continue making a positive impact on whatever university he attends. His commitment to Judaism, his family and doing the right thing makes us all extremely proud of him.

**Jonathan Cohen**
**Pine Brook Jewish Center – Montville**

Jonathan has been a fixture at PBJC since the merger between the Lake Hiawatha Jewish Center and Pine Brook Jewish Center in 1996. Jonathan was a Board member and regular volunteer/caller at LHJC’s highly successful Bingo games. He was also part of the team that negotiated the merger with PBJC.

No sooner was the ink dry on the agreement and the Torahs marched from Lake Hiawatha to Pine Brook, Jonathan became a member of the Chevra at PBJC and served as a member of a new committee that planned and executed a multi-million dollar, 25,000 square foot expansion project that today houses Scheinman Social Hall and the PBJC nursery school.

There is no doubt that Jonathan is living proof that kids in Hebrew school approaching Bar and Bat Mitzvah age can change one’s outlook on (Jewish) life, and so began his re-commitment to Conservative Judaism and PBJC. Over the course of several years, and numerous long nights with Cantor Menachem Toren, Jonathan re-learned his way around the prayer book, Torah and Haftorah trope, and eventually became
a pretty decent lay prayer leader as well as Ba’al Shacharit for the High Holy Days.

Jonathan has long been a committed and active participant in the ritual aspects of PBJC, and currently serves as co-chair of the Ritual Committee. In 2007, Jonathan was called upon by PBJC to lead the Rabbi’s Search Committee that culminated in the hiring of Rabbi Mark Finkel, a Boston native, who personally ensured that the Giants would win Superbowl XLII via a ‘miracle catch’ when he chose not to hold the Torah while Jonathan benched Rosh Chodesh (Jonathan, also a Giants season ticket holder, held the Torah) the day before the game – and the rest as they say, is history!

‘Rabbi Jon’ – as he is called by his mother and immediate family, grew up in New City, NY and lives in Lake Hiawatha with Nancy, his wife of 30 years. Jonathan and Nancy have been blessed with (3) wonderful children – Marissa, Ashley and Justin, and Marissa and her husband Bryan added great joy to the family by bringing grandson Mason into their lives in 2011.

Halli Goldsmith
Pine Brook Jewish Center – Montville

From the time she was in kindergarten, Halli has called Pine Brook Jewish Center home. A graduate of our Religious School, Halli attended Hebrew High School there as well, and was confirmed at the end of tenth grade. She reads Torah each year for the high holidays and is often asked to read during the year. Halli is part of the Madrichim program at the Religious School, where she tutors students in Hebrew reading. She is also the Co-President of USY, and has been a board member since freshman year. For two summers, Halli worked at the synagogue camp as a junior counselor with our preschoolers. During the school year, Halli is one of two students who help lead Junior Congregation on Saturday mornings. In addition to her studies at Montville Township High School, she plays tennis and softball, and spends the winters on the ski slopes. We are proud of her commitment to and love for Judaism, and cannot wait to see even more great things from her!

Ray Fishler
Shomrei Torah – Wayne

Ray Fishler was born in 1925, in a small town near Krakow, Poland. Eighty years later, he and his wife Rhoda relocated to Wayne and joined Shomrei Torah. With that move, Shomrei Torah gained a man who has the light of Shechina radiating from his soul. Ray is a role model and an exemplar to countless others.

A survivor of the Holocaust, Ray spent his youth living in fear and horror. In 1942, his town was liquidated and he wound up in the Krakow-Plaskow concentration camp, a place featured in “Schindler’s List”. Ray and his father were the only family members to survive, working as tailors for German prison guards. He spent the last five months of the war in four different concentration camps, including Auschwitz. Much of that time was spent on the Death Marches, as the Russians advanced westward.

Ray was finally liberated on May 9, 1945. Following liberation, he lived in the Altötting displaced persons camp in Germany and became active in camp administration and sports. While there, Ray was a delegate to the first post-war Zionist convention held in Munich. The event helped to shape his future.

In 1949, he obtained his immigration papers and came to the United States. Arriving in New
York, Ray entered the garment industry, eventually owning his own ladies wear business. In 1958 he married his wife Rhoda. They wound up in Rockville Centre LI, where they raised two children, David and Laura. The Fishlers lived there for over 36 years. Ray also became active in Holocaust education in local public schools and was a longstanding active leader in his congregation, B’nai Sholom.

In 1998, at an age when many sit back to enjoy the Florida sun, Ray traveled abroad on the tenth anniversary of the March of The Living. He served as an educator for a group of thousands of kids and adults. Asked why he did this, Ray replied, “My mother told me to do it. When we said goodbye, she asked me to tell the world what they did to us.” Since that time, Ray has dedicated his life to Holocaust education for young people. He has participated in five MOTLs and looks forward to his sixth trip in the spring of 2013.

After moving to Wayne in 2005, Ray immediately became very active in Shomrei Torah. He is a regular minyan attendee, leads services regularly, is a member of its Ritual Committee, served on its SLI strategic planning group and has chaired the High Holidays Preparation Committee. This past year, Ray ran the synagogue’s annual Bazaar, which became a big fundraising success under his guidance (and hard work).

Ray played a major role in obtaining a new mantle for the synagogue’s Holocaust Torah. The mantle is inscribed with the names of victims who were relatives of Shomrei Torah congregants, and the names of victims from the Czech town where the scroll came from. This beautiful mantle is a fitting memorial to the Shoah.

Ray continues to be active in Holocaust education at Shomrei Torah’s religious school and speaks at public schools, synagogues and churches. For many years, Ray worked in Queens almost daily. He finally retired last month. When anybody looks at Ray, they see a combination of the eternal optimist and the energizer bunny. He is always smiling.

**Elliot Merkin**

**Temple Beth Ahm Yisrael—Springfield**

Elliot had previously won his first Men's Club Man of the Year award in 1983 and has been active with the Men's Club since 1976. He has been past President of the Men's Club during two previous terms of office and has served in almost every position within the Men's Club and is currently the VP of membership. He is the in house Kosher wine-master for the Temple and the Men's Club and chairs the annual Men's Club Kosher for Passover Fund raising event in which Kosher wine that is pre-ordered from our standard wine list is delivered directly to the homes of the participants (at no extra delivery charge). They don't have to wait on line or hunt for the right wines for their Seders. He also handles all of the bulk mail functions for the Men's Club to obtain the maximum postal discount and timely mail delivery (Yom Hashoah Candle and dues notices mailings) Last year's Yom Hashoah Candle boxes arrived to Springfield members 2 days after they were inserted into the mail stream by Elliot. Elliot also co-chairs at least one annual event with B’nai B’rith to bring events of interest (usually at no charge) to members of both organizations. During the last 36 years, Elliot has been involved in too many other functions with both the Temple and the Men's Club to list here.

Elliot is also a VP of membership and Networking Coordinator of the Springfield Patriot Chamber of Commerce. He is involved with almost all of all of their functions and activities including the annual July 4th fireworks event and concert, annual Rock N Roll concert, annual Fall Street Fair and Antique car show event, and annual Candidates Night Forum where each party's candidates answer preselected questions written beforehand by members in the audience. Elliot also is involved with all of the chambers networking events to try to help local businesses brand themselves and try to patronize fellow members to drive more business to Springfield businesses.

Elliot had earned Bachelor and Master of Science Degrees in Electrical Engineering. In his early years he worked for an engineering company where he was a consultant in Omaha Nebraska to the
Strategic Air Command and to NASA at the Marshall Space Flight Center in Huntsville Alabama. He later founded Computer Advisory Services Inc from which he recently retired his consulting, networking and computer systems support to now having the company sell newly manufactured replacement ink jet and toner cartridges wholesale to the public (He doesn't get late evening emergency phone calls for help any more).

One of Elliot’s other passions is tennis. He plays all year around at least three times per week and won the Netherwood Tennis Club Men's 70 and over doubles championship in 2010. He also plays piano since he was 9 and writes all of his own arrangements and songs specializing in Rock N Roll and popular music.

Elliot's and his wife of 44 years Barbara live in Springfield NJ since 1973. Their son Robert and his wife Stacy live nearby in Basking Ridge with Elliot's twin 2 year old grandsons Ari and Eli. Their daughter Carolyn and her husband Joe live in Navato California (just North of San Francisco) and are expecting their first child (Elliot's third grandson) this December.

Ira Messer
Temple Beth El – Somerset

Ira has been a member of Temple Beth-El Somerset for over 20 years, and has held numerous Board of Trustees positions. Currently, he is on the executive board with oversight of financial, capital, and cemetery committees.

At present Ira is leading the committee coordinating the celebrating of the Jubilee 50th Anniversary of Temple Beth-El, guided by demonstrating how “Religion is Relevant” in today’s world. Planned highlights include an interdenominational trip to Israel this summer, an ongoing, lecture series coordinated with our local religious institutions, and various events highlighting the effect of a vibrant Jewish community in Somerset. The culmination will be a Jubilee Year dinner dance in the fall encouraging the entire family of those who have been associated with the Temple throughout the years to join in the celebration of 50 years in Somerset, NJ.

Since retirement, Ira has begun the “Temple Bakers Group” which meets Thursdays to bake fresh Challah, rolls, and confections for the morning Minyan, Shabbos Kiddush, Bikur Cholim, temple simchas, as well as fund raising. In addition, Ira has put his 35 years IT and business continuity experience to good use in maintaining the Temple systems, and providing assistance to any and all who require a tall person.

Ira grew up in the New Brunswick area and is a former member of Congregation Pole Zedek, and currently lives in Somerset. He is married to his wonderful wife and co-baker Sherri for over 20 year and is retired from various IT management positions within the Financial, and Telecommunications industries.
Jay Jaffe
Temple Beth Shalom – Livingston

Jay Jaffe has been a partner in the environmental department at the law firm of Greenbaum, Rowe, Smith & Davis, LLP, in Woodbridge, New Jersey since January, 2012. Immediately prior to joining Greenbaum Rowe, Jay was a partner in the Environmental and Brownfields practice group at Farer Fersko, P.A., where he worked for over 22 years. Working in the environmental legal field for nearly 25 years, Jay has been selected for inclusion in The Best Lawyers in America, Environmental Law practice area, and has been listed in Super Lawyers – New Jersey Edition in the Environmental practice area since 2006.

Jay spent his childhood growing up in Rockland County, New York, and he earned a B.A. in Political Science from SUNY Binghamton in 1985. It was there where he met his future wife, Marla, and, after graduating with a Juris Doctorate from Georgetown University in 1988, he and Marla began their married life together. After being blessed with three beautiful children, Marissa, Rebecca, and Zachary, the Jaffe clan moved to Livingston, New Jersey in 1996.

Proud to call Livingston home, Jay immediately got involved in many areas of synagogue life at Temple Beth Shalom. Jay has been an active member of the Men’s Club, and has sat on the Board of Trustees since 1999. Serving as Vice President of various committees and as Recording Secretary, he enjoys volunteering and working with an incredible group of guys who have become his close friends.

Although Men’s Club is Jay’s most active synagogue platform, Jay was also a member of the Board of Trustees for one term and the Board of Education for two terms. He sits on the Ritual Committee and regularly serves as a Gabbai. Yearly ushering on the High Holidays and positions on the Keruv and Nominating Committees further show Jay’s passionate commitment to Temple Beth Shalom, and, as a regular Shabbat shul-goer, Jay is currently working on re-introducing a lay led Shabbat service.

Jay is honored to have been chosen as Temple Beth Shalom’s Men’s Club Man of the Year, and he looks forward to many more years of actively participating in this most worthwhile organization.

Bert Fine
Temple Beth-El Mekor Chayim – Cranford

Bert was born in Paterson NJ and moved to Rhode Island at an early age. He was educated there and graduated from Bryant College with a degree in Business Administration. Bert served in the Army during the Korean War.

Bert moved to Cranford in 1971 when he joined the temple and the Men’s Club.

Bert has served on the temple board for many years and in various capacities. He has been temple treasurer, and is currently the chair of the budget committee. As a Men’s Club trustee, he is involved in fundraising.

Bert was married for 38 years to his wonderful wife Florence. He has a daughter Heidi, a great son-in-law Seth, and a precious granddaughter Talia.

Bert worked as a salesman for over 40 years. In May of this year, Bert retired. Bert enjoys bowling, traveling and is a big Giants fan.
Our family joined Temple Israel Ridgewood almost twenty years ago as a result of our search for a congregation that was both traditional and egalitarian. At the time Beth and I had two daughters, Robyn and Risa, enrolled in the Solomon Schechter Day School of Bergen County (SSDS). We wanted them to comfortably apply all the knowledge and skills they were learning and we found a welcoming home at Temple Israel. When our third daughter Dara was born, she was named on the bimah at Temple Israel. She and her sisters became Bat Mitzvah at Temple Israel, Robyn in the old building, Risa offsite because of the construction and Dara in our current sanctuary. Beth and Dara continue to take advantage of the opportunity to read Torah regularly, which is a welcome reminder of why we joined in the first place.

Soon after I joined Temple Israel, I was appointed to the Board at the option of the President at the time. Over the years I have served as a Board Member for several different terms. I try to allocate my volunteer work between Temple Israel and the Solomon Schechter Day School of Bergen County and contribute to the two communities that are very important to our family. Early on at Temple Israel I chaired a committee that developed a feasibility and implementation plan for establishing a nursery school. The plan was tabled because of the decision to construct our current facility. I have continuously served on the Endowment Investment Committee, which operates under the practices and philosophies that I took part in developing and instituting more than ten years ago. I have served on Rabbi and Interim Rabbi search committees as well as several Rabbi contract negotiating committees. I have also participated in many development programs for the synagogue including the Temple Gala, Chairing the Circle of Honor Campaign and making the Kol Nidre appeal.

Born in Paterson, NJ, I earned an AB degree in Economics from Rutgers College where Beth and I met as undergraduates. We were married in 1981 after I graduated with an MBA from The Harvard Graduate School of Business. We settled in Fair Lawn almost 30 years ago, where we still live with our daughter Dara, a junior at Solomon Schechter High School of Westchester. Our older daughters Robyn and Risa live in Manhattan. Beth continues her professional career as the Director and owner of the Ridgewood Speech & Language Center. I work for Atlas Energy, LP, where I am responsible for the Investment Partnership division that originates manages tax advantaged natural gas drilling programs.

Ira, we are so grateful for your bringing all the sweet smells and delicious tastes of challahs, rolls, mandel brot, cakes, cookies, and many other bakery goodies to our Temple and to our local community through your “Temple Bakers Group”. You’ve been our leader in coordinating the jubilee 50th anniversary celebration of Temple Beth El. We appreciate your leadership on the Temple’s financial, capital, and cemetery committees. You are a compassionate, dedicated, and caring individual, who is always available to help your fellow member and attendee at Temple services and functions. You always go the extra mile to do the work that is necessary and many times tedious for the good of our Temple.

You are certainly Temple Beth El’s and Men’s Club Man of the Year in 2012. This award is greatly deserved, and Men’s Club extends its thanks to you for all you’ve done over your many years of dedication to Temple Beth El of Somerset.

We thank you not only for the many years of service to our Chamber of Commerce and our township of Springfield, but also for your many years of service to the Men's Club and Temple Beth Ahm Yisrael as well. The Northern New Jersey Region is the link between more than 30 Men's Clubs from Conservative synagogues in New Jersey and Staten Island and the Federation of Jewish Men's Clubs, which serves more than 200 affiliated Clubs in the United States, Canada, Israel and Germany and the Masorti communities of the United Kingdom and France. Together, we strive to increase the level of Jewish observance, participation in synagogue life, and brotherhood among our members. We do this by sharing ideas and pooling our talents and resources.

Men's Clubs play a key role in the quality of Jewish life in the synagogue. Our variety of activities – educational, service, social and athletic – are designed to draw men to synagogue and expand their horizons.
